

Arcadis Sp. z o.o. confirms that

ALUMAST S.A.

Defined carbon footprint of the product – Basicpole

as quantified based on the carbon footprint study
undertaken in accordance with the provision
of

ISO 14067:2018

**“Greenhouse gases – Carbon footprint of products
Requirements and guidelines for quantification”.**

Provided by external independent company Arcadis.

The quantification of a carbon footprint takes into consideration
the entire life cycle of a product, including acquisition of raw material, design,
production, transportation/delivery, use and the end-of-life treatment.
