CERTIFICATE OF FACTORY PRODUCTION CONTROL

No. 204/C6/2023/070-062457

According to art. 6 of the Government Order No. 163/2002 Coll., which lays down technical requirements for selected construction products, as amended by Government Decree No. 312/2005 Coll. and Government Order No. 215/2016 Coll., it is declared that the construction product:

Energy poles made of fiber-reinforced polymer composites

type / variant: Eko 9/2,5; Eko 9/4,5; Eko 9/6; Eko 10,5/2,5; Eko 10,5/4,5;
Eko 10,5/6; Eko 12/2,5; Eko 12/4,5; Eko 12/6

distributor:

Energy Composites Sp. z o.o.

VAT UE no.: PL-6472569271
Address: Marklowicka 30A, 44-300 Wodzisław Śląski, Poland
Producer: ALUMAST S.A.
Address: Marklowicka 30A, 44-300 Wodzisław Śląski, Poland
Plant: Marklowicka 30A, 44-300 Wodzisław Śląski, Poland
Order: Z070160013

The Authorised body carried out an initial inspection at the place of production and assessed the production control system which corresponds to the relevant technical data in accordance with art. 6 point 1d of the above-mentioned Government Order and stated that:

- factory production control ensures that the products placed on the market comply with the requirements set out in the Technical Approval:

Technical Approval No. 070-062455 of 13.02.2023 issued by the Authorised body 204 with validity until 28.02.2026

and correspond to the technical documentation pursuant to Article 4 point 3 and to the document issued in accordance with Article 6 point 1 a) on the results of the initial product type tests on its sample.

An integral part of this certificate is a report on the results of the factory production control assessment no. 070-062456 of 14.02.2023, which contains the conclusions of the evaluation and a description of the product.

This certificate was issued for the first time on 15.02.2023, and remains valid as long as the requirements specified in the technical approval referred to above or the production conditions in the plant or factory production control do not change significantly, unless the Authorised body changes or revokes this certificate.

The Authorised body performs, at least once in 12 months, audit of the proper functioning of the factory production control. The Authorised body will issue a report about the assessment of the audit, which will forward to the distributor.

The person fully responsible for this certificate:

Stamp of the Authorised body 204
